1. Auto-Harmonic[™] Tilt

The tilt instantly and automatically provides balanced support and movement, depending on your body and posture.

2. Intercept Suspension Breathable and temperature-neutral, the continuous form

of this elastomeric suspension eliminates the gap between the seat and back, conforming to each person's body to provide dynamic spinal support.

3. Flexible Frame

The thin but strong frame feels nearly non-existent and offers support while flexing so you can comfortably move your upper body.

4. Dipped in Colour

Cosm is available in one hue from top to bottom to further cement the unity of the design and the sculptural quality of the chair.

- 5. Leaf Arms Leaf Arms provide a large, comfortable resting place for your elbows.
- 6. Additional Arm Options Cosm is also available with height-adjustable arms, fixed arm. or without arms.
