La struttura portante è in profilato di metallo verniciato alluminio, i pannelli di tamponamento sono in multistrati e agglomerato di legno, i sedili sono scorrevoli su guide in nylon. L'imbottitura è in poliuretano espanso indeformabile a densità differenziata senza C.F.C. e in fibra 100% poliestere. Il basamento è in metallo verniciato nero. Una serie di perni d'innesto permette il collegamento tra i vari elementi. Sedendosi e spingendo anteriormente il sedile, arrestandolo nella posizione desiderata, si ottiene l'effetto relax-seduta allungata, schienale con poggiareni e poggiatesta regolabile manualmente. Gli elementi terminali e centrali dispongono del movimento estraibile della seduta e dello schienale reclinabile. Dormeuse con seduta fissa, angolo con seduta e schienali fissi. Disponibile anche nella versione priva di movimento. Completamente sfoderabile.

The supporting frame is made of metal section aluminium coloured, the stopping panels are in multilayer and agglomerated wood, the sliding seats are on nylon guides. The padding is C.F.C. free non-deformable polyurethane foam in differentiated density and 100% polyester fibre. The base is in black varnished metal. A series of graft hinges allows connections between the different elements. Equipped with adjustable seats: by seating and pushing the seat forwards and stopping it in the desired position, the extended relax-seat position is obtained, back-rest with kidney-rest are manually adjustable. End-and-central units are equipped with extractable movement of the seat and adjustable back-rest. Long-chair with fixed seat, corner unit with fixed seat and back-rest. Completely removable covers.

Movimento seduta relax
con poggiareni e
poggiatesta regolabile.

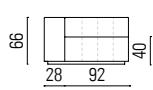

Relax-seat movement
with adjustable kidney
and head-rest.
