Leaf white board

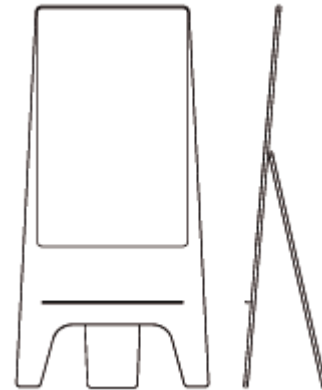

Design:

Robert Bronwasser

The Leaf whiteboard is part of the Nature series by designer Robert Bronwasser and forms a surprising and inspiring element in any conference room. The whiteboard contrasts attractively with the stand, which is warm grey. The whiteboard is made of high-grade enamelled steel. The small aluminium shelf can accommodate pens and paper.

Leaf Whiteboard, MDF enamelled steel, warm grey dark Sikkens F2.10.40.
